## MEMORANDUM OF UNDERSTANDING

between  
[Specify CI]  
and

*the College of Agricultural, Human, and Natural Resource Sciences  
Washington State University*

[specify Cooperating Institution] and Washington State University (WSU) hereby enter into a Memorandum of Understanding (MOU) based on a Customized Articulation Agreement (CAA) for transfer students from [specify CI] to WSU with [specify type of degree from CI] degree in [specify program(s)] who follow the attached advising recommendations and matriculate into [specify type of degree from WSU] degree in [specify program(s)] in the College of Agricultural, Human, and Natural Resource Sciences (CAHNRS) at Washington State University.

This Customized Articulation Agreement is intended to eliminate duplication of coursework and better integrate programs to ensure a more efficient pathway to graduation. The purpose of this set of advising recommendations is to provide students of [specify CI] a more efficient transfer pathway to Washington State University (WSU). Students who complete the [specify type of degree from CI] degree in [specify program(s)] with at least a 2.0 cumulative grade point average will be certified as [specify major] majors at WSU; and will be granted Junior standing, assuming the total number of credits accepted in transfer equals at least 60 semester credits.

Transfer coursework for students completing the [specify CI] degree covered by this MOU will be applied to the Washington State University Common Requirements (UCORE, the general education program), as applicable under the WSU Transfer Course Equivalency Guidelines, and to the individual degree options within the CAHNRS as specified in this agreement. The transfer of credit allowed under this MOU is structured to maximize the use of [specify CI] credit applicable to each specific degree option, up to the total of 73 semester credits of lower-division transfer credit allowed under Washington State University policy. All such credit not applicable under the WSU Transfer Course Equivalency Guidelines applies only to the WSU degree(s) covered by this agreement. If students transfer prior to completing the transfer degree, acceptance of the courses toward a WSU degree will be based on WSU Transfer Equivalency Guidelines.

The agreed upon courses of study are outlined in Attachments A and B of this MOU. Attachment A details the specific *set of requirements to be completed* at [specify CI] and Washington State University in order to earn [specify type of degree from WSU] degree in [specify program(s)]. Attachment B specifies the required *term-by-term course of study* as offered by [specify CI] and WSU.

The required course of study may be changed at any time with the mutual written agreement of the participating institutions. At such time, the Attachments to this MOU will be updated. Suggestions about which courses of study need to be reviewed will be called for each year. However, unless otherwise agreed upon by both institutions on an individual student basis, students will be responsible for the course of study at [specify CI] and Washington State University in effect at the time the student enters the [specify CI] [specify type of degree from CI] degree in [specify program(s)] specified in this MOU.

The undersigned certify this Memorandum of Understanding:
