Precision Ag Seminar

Precision was the word of the winter as far as industry conferences were concerned for the 2015/2016 “off season” of agriculture. Our team at the Ag Center was excited to participate in the Precision Ag Expo hosted by WSU, as well as attending the Washington Cattlemen’s Convention, FarWest Agribusiness Conference, and of course, our own annual Precision Ag Seminar. With the sponsorship of Northwest Grain Growers, we were able to offer this seminar to our students in the Washington CTC system, as well as members of our agricultural community and industry...
