Spray Technician/Equipment Operator (Olympia)

Country Green Turf, an industry leading organization with several Northwest locations is interviewing for positions of Spray Technician/Equipment Operator at our Olympia farm.

This is a full-time position with competitive compensation (DOQ/E). Days and hours vary based on current sod production demands but will on average be 8-10 hours per day, Monday thru Saturday with some Sunday work required.

Activities will include:

- Mixing and applying pesticides and fertilizer in the necessary amount, subject to weather conditions and other variables.
- Maintaining clean and orderly appearance of yourself and equipment.
- Moving and Installing Irrigation Pipe
- Mowing, Fertilizing Fields.
- Perform general farm cleanup.
- Operating tractors, trucks and various types of farm equipment.

Necessary skills and qualities

- Must possess a current WSDA Private Applicator's License
- Knowledge of agronomy, fertility, disease identification and control
- Strong attention to detail and math skills to perform calculations
- Ability to lift and handle materials up to 60 pounds repetitively.
- Cooperative, eager, and positive.
- Reliable and responsible as the company and customers will be counting on you.
- Work independently and as a team player.

Required experience

- Turf management experience preferred.
- Proven track record of being a dependable, quality employee.
- Farm or outdoor work experience required.

* Reliable Transportation and current drivers' license is a must. CDL preferred but not required.
