

CDL JOB OPENING

REQUIREMENTS: CDL Class A / HAZ MAT

Maco Aviation is an aerial application business located in the Touchet Valley (between Waitsburg and Dayton), operating airplanes and helicopters, generally within a 50 mile radius of Waitsburg in Washington and Oregon. We are looking for a CDL driver for the upcoming year, starting ASAP and continuing through mid November. Hours can be long and/or sporadic (but no overnight). Work is often weather dependent. Involves driving, mixing/loading chemicals, general maintenance, etc.

Pay starting at \$25/hr. OT time and a half over 40. Possibly more, commensurate with other experience.
