

Job Description

Full Time Field Scout – Connell WA

At Nutrien Ag Solutions, we are devoted to the health and safety of all our employees and customers. During this time of uncertainty with Coronavirus (COVID-19), we are taking extra precautions in our Manufacturing Facilities and Retail Sites to ensure safety and limit exposure for all. Nutrien Ag Solutions is still hiring and we continue to drive towards our mission of Feeding the Future.

At Nutrien, our Purpose is to grow our world from the ground up and we do so with safety and integrity as our core values. Nothing is more important than sending our people home safe, every day.

Nutrien Ag Solutions is the retail division of Nutrien™, the largest crop inputs company in the world. As part of our collective mission of Feeding the Future, Nutrien Ag Solutions provides full-acre solutions through our trusted crop consultants at more than 2,000 locations in North America, South America, Europe and Australia. For more than 150 years, we have been helping growers achieve the highest yields with a wide selection of products, including our proprietary brands: Loveland Products, Inc.; Proven®Seed and Dyna-Gro®Seed; as well as financial, custom application and precision ag services.

We harvest the best. Diverse views and experience make us strong. We look for people who have a safety-first mindset, who are collaborative team players, who deliver on their commitments, who are innovators in search of a better way, and who believe in inclusion.

Working at Nutrien Ag Solutions will provide you an opportunity to help us Feed the Future and grow your career.

- What you will do:
 - Work alongside various Crop Consultants
 - Inspect customers' fields for weeds, insects, disease, and fertility deficiencies
 - Tissue, water, and soil sampling
 - Obtain commercial operator WSDA License
 - Chemical and fertilizer pump setting and calibration
 - Chemical delivery
 - Field mapping
 - Label research
 - Create delivery tickets and work orders
 - Inventory counting
 - Familiarizing with our internal system-ARS
 - Work with our precision Ag system-Echelon
 - Attend conferences in the winter months
 - Attend field trials when possible
 - Ability to obtain Class C CDL + Hazmat Endorsement-for chemical delivery only, truck driving not a requirement for this position.
 - Other duties as needed

- What you will bring:
 - Currently enrolled in college or recent graduate with an Agriculture degree

- Self-starter, with a strong work ethic and proven track record of delivering on commitments
- Excellent interpersonal, communication, planning, problem solving and organizational skills
- Strong customer service skills
- Reliable transportation
- Clean Driving record
- Must be able to lift a minimum of 50lbs

Are you a good match? Apply today by contacting Tyler Bailey at tyler.bailey@nutrien.com

Nutrien Ag Solutions is an equal opportunity employer that is committed to creating an inclusive workplace. We evaluate qualified applicants without regard to race, color, religion, age, sex, sexual orientation, gender identity, genetic information, national origin, disability, veteran status, and other legally protected characteristics

This job will remain posted until filled. In accordance with Nutrien policies, you will be required to undergo a background check, and may be required to undergo a substance test. While we appreciate all applications we receive, only candidates under consideration will be contacted.
